****You must specifically request a weight ticket from Stevens Creek Quarry or you will only receive a ticket stating how many loads you dropped off. Load tickets will not meet the requirements and you may be subject to penalties****

Do not forget to declare your load as C&D at the scale house. Please be aware that if operators determine that your load is less than 50% comprised of clean wood, metal, cardboard, or other recoverables, they may require you to deliver it to landfill or reject it. Project applicants should make their best effort to ensure that each load delivered to City-Approved Facilities contains at least 50% recoverable materials. All receipts must have the site address printed on them-NO EXCEPTIONS.

Any person not in compliance may be subject to an administrative penalty of up to \$5,000.

A limited exemption to the law exists in the Los Altos Municipal Code Chapter 6.14.
